How does timing work in Tarot

Often when we have a Tarot reading, just about everyone will want to know when the event predicted will happen – whether it is a new job, new love or any significant event will be turning up in our lives.

It is natural to want to know when but the Universe doesn't always want to tell us. Why? Maybe we are not supposed to know or maybe knowing will change or delay the outcome.

It's not always easy to have patience especially if we have waited for a long time already so let's take a look at how you can determine timing with the Tarot.

Each suit of the Tarot corresponds with an Element; Earth, Air, Water & Fire. The Element corresponds with a season or a month and consequently each month corresponds with a Zodiac sign.

<i>Tarot suit</i>	<i>Element</i>	<i>Zodiac sign</i>
Cups suit	Water signs	Pisces, Scorpio & Cancer
Wands suit	Fire signs	Sagittarius, Leo & Aries
Pentacles suit	Earth signs	Taurus, Virgo & Capricorn
Swords suit	Air signs	Aquarius, Libra & Gemini

Minor Arcana timing

Each element has a season/month & therefore we work on the timing of the month; below I have given you timing to work by.

<i>Tarot suit</i>	<i>Timing</i>	<i>Season or month</i>
Swords (Air)	- within Days	or during spring months (March/April/May)
Wands (Fire)	- within weeks	or during the summer months (June/July/Aug)
Cups suit (Water)	- within months	or during the autumn months (Sept/Oct/Nov)
Pentacles (Earth)	- up to a year	or during winter months (Dec/Jan/Feb)

Major Arcana timing

The Major Arcana timing is a little different & not all Majors will depict a time.

The Fool has no timing but works on the premise of “when you make the decision to start a new journey” similarly the Wheel of Fortune also works on the premise of “when the Universe decides its time”

With The Empress & Judgment also have no timing but work on the premise “surrounding cards” therefore look at the story being told across the card before & after one of these Major Arcana's.

The Fool	-	No timing
The Magician	-	No exact timing but quickly
The High Priestess	-	No timing
The Empress	-	Depends on surrounding cards
The Emperor	-	April
The Hierophant	-	April / May
The Lovers	-	May / June
The Chariot	-	June / July
